industrial and construction tools. His attention to data driven decision making will enable EVERWIN to further establish our network and presence in North America.”

Daniel joins EVERWIN after a successful career with Stanley Black & Decker where he served in a variety of sales and marketing leadership roles, most recently as the Director of Sales: Northeast Region.

“In an industry that continues to consolidate, EVERWIN stands apart as a nimble, responsive partner focused on improving and expanding the pneumatic space,” says Daniel Burgjohann, “I look forward to standing side by side with our distributors as they evolve, introduce refinements to existing technology, and provide new solutions that make our customers more productive. I believe by continuing to focus on making our distributors great, the next 10 years will be just as impressive as the last.”

Daniel, a native of Rhode Island, received his Bachelor of Science in Mechanical Engineering and an MBA from Bryant University.

Please join us in welcoming Daniel Burgjohann to EVERWIN.

### **About EVERWIN PNEUMATIC**

EVERWIN® was founded in 2012 by a group of American and Taiwanese pneumatic tool experts, each boasting decades of experience and success in the world of pneumatic fastening. They founded the company with one shared goal in mind— to “build a brand the fastening industry can rely on for consistency and efficiency”. EVERWIN quickly garnered recognition as a premier brand for industrial fastening tools. With strong roots in the industrial market, EVERWIN has a different take on construction nailers and staplers from most price-driven manufacturers today; and with a touch of innovation, its 2017 and 2018 product introductions earned EVERWIN back-to-back Pro Tool Innovation Awards.
