About EVERWIN PNEUMATIC

EVERWIN® is a stapler & nail gun manufacturer founded in 2012 by a group of American and Taiwanese pneumatic tool experts, each boasting decades of experience and success in the world of pneumatic fastening. They founded the company with one shared goal in mind— to “build a brand the fastening industry can rely on for consistency and efficiency”. EVERWIN quickly garnered recognition as a premier brand for industrial fastening tools. With strong roots in the industrial market, EVERWIN has a different take on construction nailers and staplers from most price-driven manufacturers today; and with a touch of innovation, its 2023 and 2024 product introductions earned EVERWIN back-to-back Pro Tool Innovation Awards.
