Success of 2022 STAFDA Party - EVERWIN

While attending the 2022 STAFDA Trade Show, EVERWIN took the opportunity to host our first ever event of its kind at a private venue in San Diego. An event that brought over 60 EVERWIN distributors and almost 200 visitors together from 15 different countries.

What was the very special occasion? Well, 2022 is a milestone year for us here at EVERWIN as we celebrate our 10th Year Anniversary alongside the retirement of our very own Rudy Canlas, who has been instrumental in making what EVERWIN is today.

With a bunch of EVERWIN fastening folks all under one roof with good food, drinks, and exciting games, made for a lively atmosphere. At the end of the night, we were happy to see the outcome of a successful party and would like to thank everyone for joining us. Look out for the next one 😊

About EVERWIN PNEUMATIC

EVERWIN® is a stapler & nail gun manufacturer founded in 2012 by a group of American and Taiwanese pneumatic tool experts, each boasting decades of experience and success in the world of pneumatic fastening. They founded the company with one shared goal in mind— to “build a brand the fastening industry can rely on for consistency and efficiency”. EVERWIN quickly garnered recognition as a premier brand for industrial fastening tools. With strong roots in the industrial market, EVERWIN has a different take on construction nailers and staplers from most
