

## 2015 Taiwan Hardware Show

**EVERWIN** takes part in the **2015 Taiwan Hardware Show**, which took place right where EVERWIN is headquartered, Taichung. The 3 day show was a success for both EVERWIN and the manufacturing industry in Taiwan as a whole.

The Taiwan Hardware Show is an annual event that connects people while celebrating the quality and greatness of the island's manufacturing industry. Taiwan, ranking 3rd in the global export value of the hardware industry, is famous for its high quality and innovative products at competitive prices. Outstanding R&D capabilities, prompt delivery and international manufacturing network make Taiwanese manufacturers the global buyers' most reliable business partners. Taiwan's hardware industry continues its steady growth even in the global recession environment, attracting lots of decision-making buyers visiting Taiwan to source quality hardware products.

We hope to see you at the EVERWIN booth for the **2016 Taiwan Hardware Show** (12 – 14 October)
