

EVERWIN DESIGN IMPROVEMENT ANNOUNCEMENT

OLD PN100 VS. NEW PN100B

Old PN100	New PN100B
<p data-bbox="92 367 480 398">Old Main Piston Unit 103068</p>  <p data-bbox="464 835 756 965">No laser engraving besides production month</p>	<p data-bbox="805 367 1209 398">New Main Piston Unit 109011</p>  <p data-bbox="1193 831 1458 909">Laser engraved mark "PN100CP"</p>
<p data-bbox="92 1014 323 1046">Old Nose 100334</p>  <p data-bbox="587 1312 743 1391">No laser engraving</p>	<p data-bbox="805 1014 1051 1046">New Nose 109009</p>  <p data-bbox="1294 1285 1458 1408">Laser engraved mark "CP"</p>

Notes:

1. To upgrade existing **PN100 to PN100B**, follow instructions hereunder
 - A. To upgrade - Replace Nose, **109009** and Main Piston assembly, **109011**
 - B. **103416** - For complete nose and driver assemblies with door assembly.
 - C. **100317** - For complete nose and driver assemblies without door
 - D. If you need just a nose, order new nose, 109009 plus the new main piston assembly, 109011
2. PN100 nose, **100334** will be discontinued October, 2018
3. PN100 main piston unit, **103068** – will support existing PN100 for 2 years.
4. New main piston unit, **109011** might fit older noses due to worn out driver guide area.
